

Estimating water demand

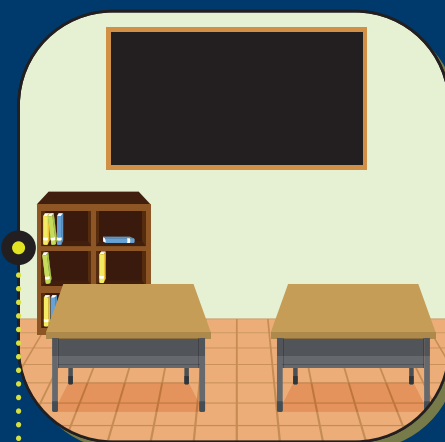

Activities

Washing Hands

Toilet

Cleaning the Classrooms

Cooking

Washing Vessels

Drinking Water

Gardening

Washing Vehicles

❁ Do you know how much water we use every day in school? Let's try and measure our usage.

❁ Measure how much water you use for each activity:

Activity	How much water do you use	How many times a day
❁ Handwashing		
❁ Toilets		
❁ Cleaning the Classrooms		
❁ Cooking		
❁ Washing Vessels		
❁ Drinking Water		
❁ Gardening		
❁ Washing Vehicles		

* Wash vessels over a bucket to collect the water and use a mug to measure how much quantity in litres
